A Study Design Report is available on the City's web site at www.barrie.ca/eastudies under the project heading "Bell Farm Road & Ross/Collier/Bayfield Streets Transportation Improvements". This report details the road cross-section alternative concepts.

Comments:

Do you wish to continue to be informed of the project progress? This will include notice of the second PIC and subsequent staff recommendations for the Preferred Alternative Solution that will be presented to General Committee. Notice will be provided via email if provided on page 1 under Respondent address information.

☐ Yes ☐ No
