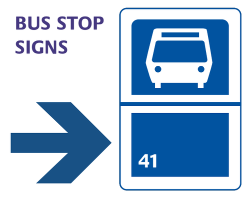
HOW TO USE THE TRANSIT SYSTEM

BUS STOP SIGNS



Route Numbers displayed on Bus Stop Signs indicate to passengers that this bus stop is serviced only by the Route Number displayed on the bus stop sign. If there are no numbers displayed on the bus stop sign, the bus stop is serviced by any Barrie Transit bus that is in service on that street.

Transit Information 705-739-4209

WHERE DOES THE BUS GO?
Buses display a route name in the front window above the windshield. This indicates the general destination of each bus. Refer to the map to see where each route travels.

BARRIE TRANSIT'S "VALUE TRANSFER"
Barrie Transit's "Value Transfer" takes you wherever you want to go by transit for 60 minutes. Once you get a transfer from your Transit Operator, it will allow you 60 minutes free travel from the time you board the bus, in any direction, on any route. You can even make short trips on only one fare as long as you are back on the return bus before the time on your transfer expires.
Transfers must be requested when you pay your fare and can only be used by the person to whom it was issued. If you're unsure of the expiry time, ask your Operator!

NIGHT STOP
The Night Stop program allows passengers who feel it would be more convenient or safer to disembark from the bus closer to their destination than the nearest transit stop. The service is in effect from dusk or 9:00 p.m. until the end of evening service. Passengers can request the Transit Operator to stop at any safe location along the route. Let the driver know at least one stop before the location where you wish to disembark and leave from the front door.

NEED ANOTHER ROUTE MAP/TIMETABLE?
You can get additional copies from any Transit Operator, from City Hall or by calling Barrie Transit: 705-739-4209.
