Dear Mr. Millar:

Re: 2023 Budget Request - Barrie Police Service

Please find enclosed the 2023 budget request for the Barrie Police Service.

Barrie Police Service (Service) is committed to modernization using an evidence-based approach to policing. The Service's core functions are continuously evolving and significant investments in both technology and member wellness are critical to the organization. In addition, the Service will continue to play a significant role in the City of Barrie's Community Safety and Well-Being Plan.

As in prior years, legislation imposed by the provincial government has significantly impacted the Service. In particular, the *Supporting Ontario's First Responders Act* continues to cause substantial financial impact. However, new grant funding and secondment opportunities have been made available and the Service will experience increased revenues in 2023.

The budget request includes increasing our authorized sworn strength by five and our civilian strength by four members. The strategy will allow us to attain the board-approved strength which was deferred in previous years. In 2022, we welcomed 14 new recruits and seven experienced officers to help fill positions left vacant after the Service experienced a higher-than-expected number of retirements in 2021. The new recruits will be deployed to front-line platoon in early 2023 upon their return from Ontario Police College.

In 2023, the Service will continue to implement several initiatives that will contribute to enhanced community safety and well-being, such as our newly launched Mobile Crisis Response Team (MCRT) which pairs a uniformed officer with a trained crisis worker.

As COVID-19's impact on our calls for service volume wanes, we are once again experiencing an increase in our annual calls for service, seeing 73,695 calls in 2021 which is a slight decrease from 2019 when we had 74,239 calls for service.

After careful consideration, the Board has determined that the municipal funding required to support the Service's Strategic Plan as well as the ability to respond to future challenges is \$63,238,813 or 7.28% increase over the approved 2022 budget.

Please do not hesitate to contact us should you require any additional information.

Sincerely,

Greg Ferguson

Barrie Public Library

November 10, 2022

Mr. Craig Millar City of Barrie P.O. Box 400 Barrie, ON L4M 4T5

Dear Mr. Millar,

Please find enclosed the 2023 budget request for the Barrie Public Library Board.

The Library's goals for 2023 continue to address the persistent need to reach individuals and families throughout our growing community and to meet them where they are. This budget allows the Library to maintain collections, continue community outreach, and serve the community in engaging spaces.

Throughout the last year, we have seen a resurgence in Library use across all locations as we recover from the pandemic. The new Holly Community Library has become especially popular with residents, with many people walking or cycling to the Library and/or incorporating a Library visit into their shopping routines. This library has certainly added value to this neighbourhood, and we appreciate the support of City Council and City of Barrie staff members in helping to make this location a vibrant community hub.

The Board has determined that the municipal funding required to maintain adequate and effective library service in 2023 is \$228,219.35 over the approved 2022 municipal grant of \$9,373,110 (a 2.43% increase). Inflation is certainly challenging this budget; however, the Library Board and staff have worked hard to ensure that 2023 only sees a modest increase that is under the target provided by City Council.

Thank you for your continued commitment to supporting library services in our community.

Sincerely,

Austin Mitchell, CPA, CA

Chair, Barrie Public Library Board

Lake Simcoe Regional Conservation Authority

At-A-Glance

Lake Simcoe Region Conservation Authority is a local watershed management organization incorporated under the Conservation Authorities Act (1946).

Since our formation in 1951, we have been dedicated to conserving, restoring and managing the Lake Simcoe watershed.

Our jurisdiction, which began in the East Holland River with five municipalities, has grown to include the entire Lake Simcoe watershed with the exception of the City of Orillia and the Upper Talbot River subwatershed.

The Authority is governed by an 18-member Board of Directors, appointed within a four-year cycle by its 9 member municipalities. Each year, the Board of Directors elects a Chair and Vice Chair from among its 18 members.

Our Watershed

The Lake Simcoe watershed is a 3,400 square kilometre area of land that sweeps across 20 municipalities, from the Oak Ridges Moraine in the south to the Oro Moraine in the north, through York and Durham Regions, Simcoe County and the cities of Kawartha Lakes, Barrie and Orillia.

The watershed is delineated by 18 major river systems and many smaller ones that flow through the landscape to the heart of the watershed; Lake Simcoe.

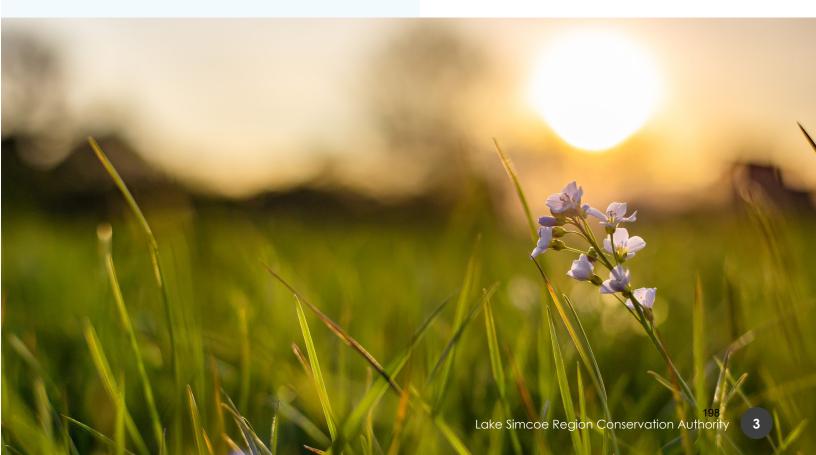

Board Approved Assumptions - June 24, 2022

2023 Budget Highlights

- Respect the tax payer
- Renewed Vision for 2022-2024
- New Land Preserve

The Authority continues to demonstrate respect for the taxpayer by only requesting modest levy increases for 2023 and not adding any new levy funded FTEs. Our focus in 2023 will be implementation of our strategic plan and transitioning to changes from the review of the Conservation Authorities Act.

^{*}All additions funded by fees or grants.

Nottawasaga Valley Conservation Authority

October 3, 2022

City of Barrie 70 Collier Street Barrie, ON L4M 4T5

Dear Ms. Cooke:

Please find the 2023 Nottawasaga Valley Conservation Authority (NVCA) Draft Budget Booklet at https://www.nvca.on.ca/Shared%20Documents/NVCA%202023%20draft%20budget.pdf. This draft budget was received and approved for circulation and input for the mandatory 30 day review period, at the September 23, 2022 NVCA Board meeting. However, given that 2022 is an election year, the NVCA has extended its commenting period to allow for the new councils to have time to review. Therefore, please forward any comments to the undersigned by February 24, 2023.

The NVCA is also pleased to include the budget companion, the 2023 Program Overview provides simple, understandable information about how our budget is allocated, what our goals and objectives are both for the current year and future year, along what has been achieved by our team. It can be found at https://www.nvca.on.ca/Shared%20Documents/2023%20Program%20Overview.pdf

The NVCA worked very diligently to address the impacts of rising inflation and subsequent pricing increases, combined with the uncontrollable costs of items such as insurance, without adversely impacting our member municipalities. The City of Barrie's proposed 2023 levy contribution is \$416,342.73 an increase of \$16,473.38 over 2022. The capital asset levy will be \$18,238.79 which is a reduction of \$-2,543.47 over 2022. This represents a total of \$434,581.52 contribution for 2023.

Please contact Kerry Jenkins at 705-424-1479 ext. 272 or <u>kjenkins@nvca.on.ca</u> if your council would like to schedule a deputation or a meeting with staff to discuss this draft budget. We believe the 2023 draft budget represents a wise investment for the long-term health of our environment, watershed, and local economy.

Yours truly,

Doug Hevenor

Chief Administration Officer

OUR VISION

A sustainable watershed that is resilient to the effects of climate change, urban growth and other stressors and provides for safe, healthy and prosperous people and communities.

OUR MISSION

Working together to deliver innovative, integrated watershed management that is responsive to the environmental, economic and social sustainability of the Nottawasaga Valley watershed.

WHAT WE VALUE

An abundance of clean water, clean air and fertile soils that provide for healthy people and ecosystems.

Natural heritage systems and the ecosystem services they provide, particularly as they support resilience to the effects of a changing climate.

Distinctive landforms and waterways including the Georgian Bay coastline, Niagara Escarpment, Minesing Wetlands and others that give our watershed a unique sense of place.

Quality recreational opportunities that our hills, forests, meadows, wetlands, waterways and coastline provide for residents and tourists alike.

A wealth of resources within the capacity of our watershed to provide for thriving communities, successful economies and sustainable agriculture, now and in the future.

A LOOK FORWARD TO 2023

In 2022, NVCA continued work with our municipal and community partners to protect, conserve, and restore natural resources and develop resilient communities in the Nottawasaga Watershed.

One priority was to start the transition to the implement the revised Conservation Authorities Act (CA Act) by developing a transition plan and Inventory of Programs and Services.

In 2023, completing the transition to the revised CA Act will remain a priority as staff works with municipal partners to develop new Memorandums of Understanding and Service Level Agreements, as well as the developing the new budget process.

However, our work to preserve of a healthy watershed will not stop. We will continue to deliver innovative, watershed-wide services through education, the application of science, community engagement, service excellence and collaboration with our partners.

OUR WATERSHED

The Nottawasaga Valley Watershed is approximately 3,700 km2, with jurisdiction in 18 municipalities in in the counties of Simcoe, Dufferin and Grey. The watershed is the source of watercourses that flow into Georgian Bay at Wasaga Beach, Collingwood and Severn Sound.

NVCA's Board of Directors is comprised of one representative appointed from each of our member municipalities.

Board members have a very important role and responsibility to represent the interests of their municipalities, consider the interests and needs of the conservation authority, and establish an effective reporting relationship with their municipal council and staff.

Budget Process

In August 2022, board members approved a staff report on the budget pressures projected for 2023 and directed staff to prepare a 2023 budget for consideration based on a \$150,000 increase to general levy.

Staff have developed a draft budget based on a \$137,048.95 increase. The draft budget is reviewed at the September 23, 2022 Board of Directors meeting and subsequently circulated to NVCA watershed municipalities for comments.

As this is an election year, the draft budget will be circulated to member municipalities after the September meeting for a 5-month review and consultation process. The Board of Directors will vote on the budget at the March 2023 Board Meeting.

Budget Vote

The Board of Directors will vote on the budget and levy using a weighted vote. The weighting formula is based on the Current Value Assessment (CVA) levy apportionment found on the next page.

Board of Directors approves **STEP 01** circulation of draft budget September 23, 2022 **STEP Budget to Municipal** 02 partners October 3, 2022 Municipal review period until February 24, 2023 Board of Directors weighted vote March 24, 2023

2023 Draft Budget

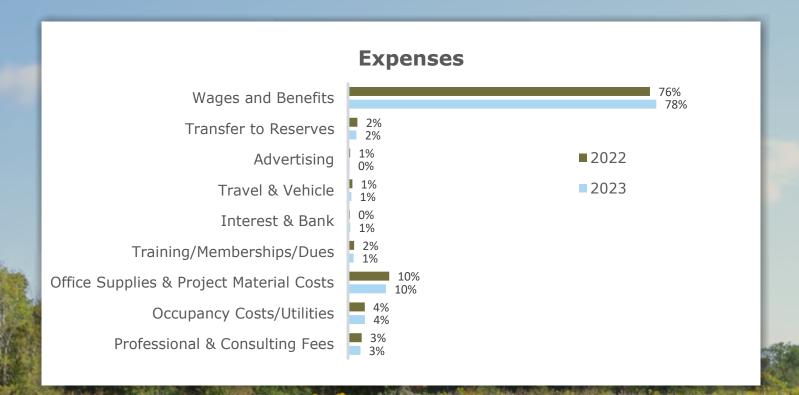

The 2023 operational budget is organized into business units and departments and is intended to reflect all associated costs. Operating programs have been maintained at the previous years' service levels.

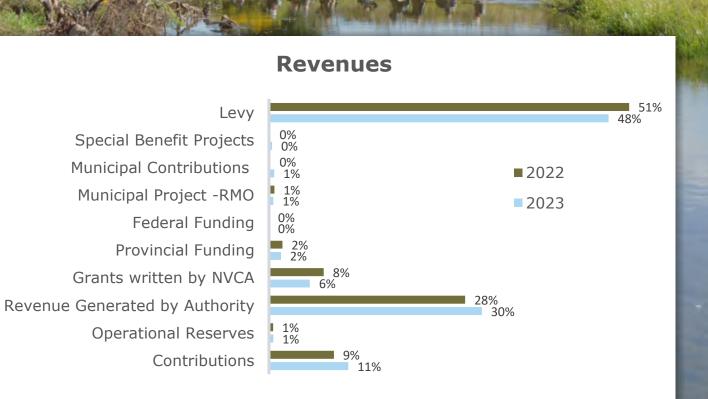

A \$137,048.95 increase in municipal levy, is needed to support the operating expenditures. The operating levy is shared by NVCA member municipalities based on the CVA apportionment percentages provided by the Ministry of Environment, Conservation and Parks.

Asset Management

The capital asset levy, which funds the asset management plan (AMP), is shared by the municipal partners based on their apportionment percentage.

The AMP is based on the annual approval of the asset management plan by the Board of Directors. The AMP for 2022 was approved by the Board of Directors at the August 2023 Board meeting.

Below are the contributions for 2023 based on the approved Asset Management Plan:

2023 DRAFT

Barrie Area Physician Recruitment

July 29, 2022

Mayor Lehman and Members of Council c/o City of Barrie Clerk's Office City of Barrie 70 Collier Street, P.O. Box 400 Barrie, ON, L4M 4T5

Dear Mayor Lehman and Members of Council,

On behalf of the Barrie Area Physician Recruitment Task Force I'd like to take this opportunity to thank the Council of the City of Barrie for their ongoing support of the recruitment and retention initiative in our community.

Despite many obstacles with respect to the Covid-19 pandemic, we have made significant progress in bringing much needed Family Physicians and Specialists into the area. Despite this success, there is still a tremendous amount of work to be done. Health care human resources will be a significant issue facing all residents of the area in the coming years and recruitment will be the key initiative to alleviate the hardships of the physician shortage.

In addition to recruitment, The Task Force also focuses on the various needs of incoming physicians; we tour visiting physicians throughout the catchment area as well as ensure a unique support system is in place for both the physician and their families should they choose to start a practice in Barrie or elsewhere in the Barrie Area. The Task Force also ensures a structured retention plan is in place to maintain physician satisfaction within the Barrie Area for years to come.

In order to continue to be successful in the recruitment and retention of family physicians and specialists into the area we kindly request your financial support, in the amount of \$60,000 to help further our initiatives for the 2023-2024 fiscal year. As you are aware your financial contribution allows for your representatives, currently Gary Harvey and Susan Rockey, to hold a seat on the Task Force, which will ensure that your input and accountability needs are met.

If you have any questions please do not hesitate to contact me at any time, or if you prefer to meet, I am available at your convenience. I can be reached directly at 705-229-6717 or by e-mail at maxwellc@rvh.on.ca

Thank-you for your continued support.

Sincerely,

Corinne Maxwell
