Protect your trees from Spongy (LDD) Moths

2021 was a significant year for spongy (LDD) moth infestation in Ontario, and City staff applied an integrated management approach on specific areas in Barrie, which will continue into 2022.

Steps to protect trees on your property are outlined below and should be continued this year:

**Steps to protect trees on your property:**

**LIFE STAGE**

**CONTROL OPTIONS**

**EGG STAGE**
Remove egg masses and discard

**CATERPILLARS**
Attach burlap bands and discard larvae in soapy water

**PUPAE**
Remove egg masses

**ADULT MOTH**
Short lived, focus on other stages

**TIMING**

1. August to mid-April
2. Mid-May to June
3. June to mid-July
4. July to August

### Street Sweeping

The City's annual spring street sweeping is now underway. It takes about 10 weeks to complete sweeping across the city, weather permitting.

Please don't push debris onto the road.

Large piles of sand/salt cannot be picked up by the street sweeper.

Visit barrie.ca/StreetSweeping for more information and updates.

### Celebrate Water Week May 1–7

Barrie Water Operations staff work hard around the clock to ensure high-quality drinking water is there when you need it. Water Week is a chance for all of us to appreciate and learn what it takes to bring that water to your tap.

Learn more at barrie.ca/WaterServices.
