GUIDELINES FOR PRE-CONSULTATION APPLICATIONS

OFFICIAL PLAN AMENDMENTS, ZONING BY-LAW AMENDMENTS,
PLAN OF SUBDIVISION/CONDOMINIUM

This application can be submitted digitally through the City’s online application portal (APLI) on www.barrie.ca.

The City of Barrie Development Services Department **REQUIRES** all Applicants to pre-consult with City staff prior to the submission of an application for:

- Official Plan Amendment (OPA)
- Zoning By-law Amendment (ZBA)
- Draft Plan of Subdivision/Condominium

All applicable portions of the attached Pre-consultation Application Form must be completed. Please check the application type(s) for which you are requesting pre-consultation. The application for which the Pre-consultation Request is being made is at the discretion of the Applicant.

To deem an application complete, the following information is required:

- Complete and signed application form;
- Required fee;
- One (1) digital copy in PDF format of all plans.

The application will not be circulated for review and a technical meeting will not be scheduled until the application is deemed complete by staff.

Once a complete application has been received, the submission will be circulated to internal departments and public commenting agencies, as applicable. Within approximately four weeks of the Complete Application Date, a one hour Technical Review meeting will be scheduled. The Technical Review meetings are held on Thursdays with various City departments and external agencies participating in the meeting as applicable. The Applicant will be contacted advising of the date and time of the meeting. It is recommended that the Applicant and their consultants attend the meeting.

The Pre-consultation process allows the Applicant to present to the City the application, rationale for such and proposed plans. City staff will have the opportunity to:

- Clarify the application process;
- Identify key issues and provide preliminary written comments;
- Identify and confirm the necessary plans, supporting studies and any other information that would be required for a **Complete Application** at such time as an Official Plan Amendment, Zoning By-law Amendment or Plan of Subdivision application is submitted;
- The City will complete a City of Barrie Complete Application Checklist to be provided to the Applicant at the Technical Review meeting or approximately three weeks from the Complete Application Date if a Technical Review meeting is not required.

**Note:** Pre-consultation for site plan control applications require a separate application and will occur at the development planning, detailed design stage, and is mandatory prior to formal site plan application. It is recommended that the zoning of the subject lands be approved prior to filing pre-consultation for a site plan application.
