GUIDELINES FOR PRE-CONSULTATION APPLICATIONS

SITE PLAN CONTROL

This application can be submitted digitally through the City’s online application portal (APLI) on www.barrie.ca.

The City of Barrie Development Services Department **REQUIRES** all Applicants to pre-consult with City staff prior to the submission of an application for Site Plan Control/Amendment to Existing Registered Site Plan.

All applicable portions of the attached Pre-consultation Application Form must be completed. The application for which the Pre-consultation Request is being made is at the discretion of the Applicant.

To deem an application complete, the following information is required:

- Complete and signed application form;
- Required fee;
- One (1) digital copy in PDF format of all concept plans.

The application will not be circulated for review and a technical meeting will not be scheduled until the application is deemed complete by staff.

Once a complete application has been received, the submission will be circulated to internal departments and public commenting agencies, as applicable. Within approximately four weeks of the Complete Application Date, a one hour Technical Review meeting will be scheduled. The Technical Review meetings are held on Thursdays with various City departments and external agencies participating in the meeting as applicable. The Applicant will be contacted advising of the date and time of the meeting. It is recommended that the Applicant and their consultants attend the meeting.

The Pre-consultation process allows the Applicant to present the application and concept plans to the City and give City staff the opportunity to:

- Clarify the application process;
- Identify key issues and provide preliminary written comments;
- Identify and confirm the necessary plans, supporting studies and any other information that would be required for a **Complete Application** at such time as formal submission is made.

The Pre-consultation application requires the submission of a detailed Concept Site Plan, **in accordance with the Site Plan Concept Plan Requirements outlined in the Pre-Consultation Application Form (see Application Form).**

For reference, the City of Barrie Official Plan, Zoning By-law, Urban Design Guidelines for Intensification Areas, Urban Design (Site Plan) Manual and other planning related documents are available for purchase from the Legislative & Court Services Office or available on the City’s website at www.barrie.ca.

Should you have questions regarding the filing of your Pre-consultation Application, please contact the City of Barrie Development Services Department at (705) 726-4242.

DISCLAIMERS:

The submission of a Pre-Consultation application and participation in the Technical Review meeting are mandatory unless deemed unnecessary by the Director of Development Services or delegate.

The City of Barrie is not responsible for the use or misuse of the information being received or for the financial implications concerning its implementation.

The information being provided to you by the City of Barrie is reflective of the policies, regulations and standards currently in effect.

Any technical comments made during the pre-consultation process and/or at the Technical Review Meeting are preliminary and subject to further review and circulation at the time of a full formal complete application. Commenting on the pre-consultation will not imply or suggest any decision to either support or refuse the application. Further, participating in Pre-Consultation does not allow the undertaking of construction and/or preparatory work on site, including clearing of trees, vegetation, or any site alteration.

Comments shall remain in effect for a period of one (1) year from the date of complete application or sooner if applicable Provincial legislation, Regulations, Policies or Plans change, and/or if the Municipality amends or replaces the applicable Official Plan policies, land use designations and/or zoning/zoning standards. Following which, a subsequent application may be required.
