These drawings may not be reproduced in whole or in part without written consent from J.C. Design Group Inc.

Note:
All building materials, designs & construction methods represented in these drawings are to comply with the current Ontario Building Code (O.B.C.), applicable municipal by-laws and better building practices. J.C. Design Group Inc. is not responsible for the accuracy of survey, structural, mechanical, electrical, etc..., engineering information shown on these drawings. Refer to the appropriate engineering drawings before proceeding with the work.
Designer assumes no responsibility for the failure of the contractor or sub-contractors to carry out the work in accordance with these drawings. The general contractor is responsible to check & verify all dimensions & specifications and is to report any discrepancies of the supplied information prior to the commencement of construction. Under no circumstances shall the contractor or sub-contractors proceed with uncertainty. Modifications to the design shall not be made without written agreement between designer and contractor.
Single pages of the drawings are not to be read independently of all pages of the working drawing set.
All architectural symbols indicated are graphic representations only.
