   g) For the purposes of reporting declined ballots in accordance with Subsection 55(4.1) 2., an under-voted ballot shall be considered an abstention from voting, whereas a declined ballot shall be considered a deliberate choice by the Elector to decline the entire ballot by selecting a ‘declined’ option on the ballot. A declined ballot shall not include votes cast for any race, which is separate and distinct from an under-voted ballot which may or may not include votes for all races, one race, or no races on the ballot.
   h) The Voting System shall not permit a voter to overvote, or to spoil a ballot.
   i) Once the Voter PIN has been used by a Voter to complete and submit their ballot, it cannot be used again to vote.
   j) The proposed voting period will commence on October 14, 2022 (tentative) at 10:00 a.m. and close on October 24, 2022 at 8:00 p.m. Notwithstanding the closure of remote voting at 8:00 p.m. on the final day, persons present at the City-operated Voter Assistance Centre at 8:00 p.m. will continue to be allowed to access the Voting System and complete the voting process. Persons who have gained access to the Voting System through their own device prior to 8:00 p.m. on October 24, 2022 will be permitted to complete the voting process, provided that they do so by 8:05 p.m.

34. Prior to the activation of the system by Scytl Canada Inc., being on October 14, 2022 (tentative) at 10:00 a.m., Scytl Canada Inc. shall allow access by the Clerk, the Auditor, or other authorized Election Officials, to the voting system by secure ID and password, for the purposes of viewing a list of all of the candidates’ names including the sum total of votes cast to ensure that the total votes cast indicates “0” (Zero). The system will not be activated until confirmation that the total votes cast indicates “0” (Zero).

35. Candidates or their scrutineer may be present in the Council Chambers located at 70 Collier Street, from 9:00 a.m. to 10:00 a.m. on October 14, 2022 (tentative) to verify and ensure that the total votes cast are at “0” and shall be requested to sign a document that attests to this fact.

36. Candidates will have access to an electronic version of the Voters’ List between October 14, 2022 (or first day of voting period) and October 23, 2022, in order to review the list of Electors that have voted. The City will not produce a physical electronic excerpt of the Voters’ List indicating Electors that have voted; it is expected that Candidates will use the VoterView portal. This capability does not and cannot provide candidates, their designate(s), or Election Staff with information on how an elector has voted, only whether or not the elector has voted in the election.

37. Where a voter qualifies at more than one location, the voter may vote only once and the qualifying address to determine eligibility for voting shall be at the place of residence of the elector, as defined under the Municipal Elections Act, 1996. All duplicate names on the preliminary list of electors shall be verified by the Clerk and/or Election Official(s) prior to the final preparation of the Voters’ List. Should an eligible voter receive more than one Voter Information Letter, the eligible elector may only vote once and must return the
other Document(s) to the Municipal Office. All voters that vote more than once in the City of Barrie election or who improperly use the Voter Information Letter shall be reported to the appropriate authorities for further investigation as to possible corrupt practices under the Municipal Elections Act, 1996.

38. Voter Information Letters returned to the Municipal Office will be marked “returned mail” and will be maintained in a secure fashion and destroyed at the same time as all other Municipal Election material as provided for under Section 88 of the Municipal Elections Act, 1996.

39. Should a VIL be returned to the Municipal Office that has been opened but has not been used for voting purposes, the Election Official shall immediately disable the PIN so that the PIN cannot participate in the voting process. In this circumstance, the VIL shall be marked “unused” and be secured and destroyed as with item 43 above.

40. The Clerk in partnership with Scytl Canada Inc. shall take appropriate measures to ensure that all VILs and their associated PINs are accounted for throughout the election and after the conclusion of the Voting Period. After the conclusion of the election, Scytl Canada Inc. shall supply the Clerk with a report detailing the status of all VILs/PINs during the election.

41. Where an eligible Elector has tried to use his or her PIN and they have determined that it has already been used, the Elector can attend City Hall or Voter Assistance Centre with satisfactory identification and have a Voter Assistance Centre Supervisor, the Clerk, or Deputy Clerk confirm that the elector’s PIN has been used by an unauthorized individual.

   a) Prior to the issuance of a new VIL and PIN, the Elector shall be required to satisfactorily answer all questions posed by the Voter Assistance Centre Supervisor, Clerk, or Deputy Clerk. If deemed necessary, the Elector will also be required to take an oath.

   b) If the Voter Assistance Centre Supervisor, Clerk, or Deputy Clerk believes that all questions have been answered truthfully and satisfactorily, they may provide the Elector with a new PIN in accordance with the City’s established procedures for the re-issuing of VILs and PINs.

   c) Once the Elector has properly answered all questions and taken the prescribed oath (if required), the Elector shall be issued a new VIL/PIN. The Elector’s vote status will be reset to indicate that they have not voted, allowing the Elector to cast their ballot with their new PIN. The original ballot that was cast by the unauthorized individual will remain in the ballot box, as ballots are disassociated from their PINs once they are cast.

42. New PINs shall not be given out over the telephone or by mail by anyone other than a City of Barrie employee who has been appointed in writing by the Clerk to do so, and must only be done in strict accordance with the City’s established procedures for the re-issuing of VILs and PINs.

43. A VIL containing the PIN shall not be given to any person at City Hall, or at a Voter Assistance Centre unless the Election Official is satisfied of the Elector’s identity. At the discretion of the Election Official, the administration of an oath may be required.

44. Eligible voters may vote by:

   a) accessing the telephone number provided by using a touch-tone telephone, or the internet address provided by using a viable internet connection;

   b) attending a Voter Assistance Centre during the dates and times and at the location established by the Clerk, either by themselves or with a friend or interpreter who may assist the Elector in voting using the internet access provided after taking the appropriate oath(s). In the absence of a friend or interpreter, the voter may request the assistance of the Election Official, who may provide assistance only after the appropriate oath has been taken.
