

TOLLENDAL MILL ROAD CULVERT UPGRADE MUNICIPAL CLASS ENVIRONMENTAL ASSESSMENT NOTICE OF COMPLETION

The City of Barrie has completed a Schedule B Municipal Class Environmental Assessment (EA) for the Tollendal Mill Road culvert. The EA was completed under the Drainage Master Plan to identify the existing drainage deficiencies and develop drainage solutions throughout the City. One of the projects identified is the upgrade of the Tollendal Mill Road culvert at Lovers Creek. The existing arch metal culvert will be replaced with a bridge spanning the watercourse. This Notice of Completion is to fulfill the Municipal Class Environmental Assessment requirements for the Tollendal Mill Road culvert only.

Two Public Information Centres (PICs) were held, where the public and interested stakeholders could provide comment on the project details and the various physical, natural, social, cultural and economic impacts. Public and agency comments received have been considered as part of the selection of the preferred solution. A Drainage Master Plan Environmental Study Report (ESR) has been prepared that documents the study process and presents the preferred solution. The Drainage Master Plan ESR is available for public review on the City of Barrie website at: barrie.ca/eastudies.

If you have questions or concerns related to the Tollendal Mill Road Culvert project, please contact Tom Reeve at the address below within 30 calendar days from the date of this notice.

Tom Reeve, P. Eng.
Senior Asset Management Program Coordinator
Engineering Department
City of Barrie
70 Collier Street, P.O. Box 400
Barrie, ON L4M 4T5
Phone: (705) 739-4220 ext. 4465
Fax: (705) 739-4247
Email: Tom.Reeve@barrie.ca

If concerns arise which cannot be resolved with the City of Barrie, a person or party may request that the Minister of the Environment, Conservation and Parks make an Order for the project to comply with Part II of the Environmental Assessment Act (referred to as a Part II Order). Requests must be received by the Minister within 30 calendar days of this notice being issued. Requests are to be submitted to:

Hon. Jeff Yurek
Minister of the Environment, Conservation and Parks
College Park 5th Floor
777 Bay St.
Toronto, ON M7A 2J3
minister.mecp@ontario.ca

A duplicate copy of the request must also be forwarded to Tom Reeve, P. Eng. of the City of Barrie at the address provided above. If no requests are received, the City of Barrie, upon receipt of the necessary approvals, plans to proceed to implementation of the Tollendal Mill Road culvert.

This Notice issued November 21, 2019 and November 28, 2019.

Information will be collected in accordance with the Freedom of Information and Protection of Privacy Act. With the exception of personal information, all comments will become part of the public record.

Wendy Cooke
City Clerk

Bala Araniyasundaran, P. Eng.
