

## CITY OF BARRIE

### Sophia Creek Watershed Master Drainage Plan Update and Mulcaster Drainage Area Master Drainage Plan Municipal Class Environmental Assessment Phases 1 and 2

#### NOTICE OF PUBLIC INFORMATION CENTRE

The Corporation of the City of Barrie is undertaking a Municipal Class Environmental Assessment (Class EA) to identify and recommend solutions to municipal drainage issues in the Sophia Creek Watershed and the Mulcaster Drainage Area. The map below shows the study area. This Public Information Center is to advise you of the progress that has been made on this study and the upcoming activities.

This study is following Phases 1 and 2 of the Schedule "B" Municipal Class EA process (*October, 2000, as amended in 2007, 2011 and 2015*). The Corporation has retained the consulting firm C.C. Tatham & Associates Ltd. to develop and evaluate various alternative solutions and to document the decision making process in an Environmental Study Report.

The City hereby notifies all interested individuals and parties, that a Public Information Centre (PIC) will be held on **Wednesday, October 26, 2016, 4:00pm to 7:00pm, in Huronia Boardrooms A and B - 2<sup>nd</sup> Floor City Hall.**

The public is invited to attend the PIC to view project information panels and provide comments regarding the proposed alternative solutions outlined in the Sophia Creek Watershed Master Drainage Plan Update and Mulcaster Drainage Area Master Drainage Plan Class EA Phases 1 & 2. City staff and representatives from the consultant firm will be available to discuss issues and concerns with members of the public. Comments collected in this process will be used to develop the preferred alternative solution.

A copy of the Class EA draft report is available on the City of Barrie web page. Go to ([www.barrie.ca/eastudies](http://www.barrie.ca/eastudies)) for "Class EA" then select the project titled "Sophia Watershed Master Drainage Plan Update and Mulcaster Drainage Area Master Drainage Plan Municipal Class EA Phase 1 & 2".
