

CITY OF BARRIE
CLASS ENVIRONMENTAL ASSESSMENT
SUNNIDALE ROAD SANITARY SEWER RELOCATION
NOTICE OF COMPLETION

To facilitate the Ministry of Transportation's (MTO) planned replacement of the Sunnidale Road Bridge, the City must relocate an existing sanitary sewer and existing storm sewer. These works are planned to be completed by the end of 2021.

This project is being planned under Schedule B of the Municipal Class Environmental Assessment. Subject to comments received as a result of this Notice of Completion, the City intends to proceed with the design and construction of this project.

The project plans and related information are available at <https://www.barrie.ca/City%20Hall/environmental-assessment-studies/Pages/Sunnidale-Road-Sanitary-Sewer-Relocation.aspx>.

Persons with unresolved concerns should provide written comment to the City within 30 calendar days from the date of this Notice. Comments should be directed to:

Mr. Brett Gratrix, P. Eng.
Infrastructure Planning Engineer
City of Barrie
70 Collier Street, Box 400
Barrie, ON L4M 4T5
Tel: (705) 739-4220 Ext. 5117, Email: brett.gratrix@barrie.ca

If these concerns cannot be resolved in discussion with the City, a person or party may request that the Minister of the Environment, Conservation and Parks to order a change in the project status and require a higher level of assessment under an Individual Environmental Assessment process (referred to as a Part II Order). Reasons must be provided for the request. Requests must be received by the Minister within 30 calendar days of this Notice. Information on how to make a Part II Order request can be found here: <https://www.ontario.ca/page/class-environmental-assessments-part-ii-order>. The completed Part II Order Request Form should be directed to:

Minister
Ministry of the Environment, Conservation and Parks
Floor 11
77 Wellesley Street West
Toronto ON M7A 2T5
Minister.mecp@ontario.ca

-and-

Director
Environmental Assessment and Permissions Branch
Ministry of the Environment, Conservation and Parks
135 St. Clair Avenue West, 1st Floor
Toronto ON M4V 1P5
enviropemissions@ontario.ca

-and-

Mr. Brett Gratrix, P. Eng.
Infrastructure Planning Engineer
City of Barrie
70 Collier Street, Box 400
Barrie, ON L4M 4T5
brett.gratrix@barrie.ca

If there is no request received by November 17, 2019, the City of Barrie will proceed to design and construction for the relocation of the sanitary sewer and storm sewer, as presented in the planning documentation.

Please note that ALL personal information included in a Part II Order submission – such as name, address, telephone number and property location – is collected, maintained and disclosed by the Ministry of the Environment, Conservation and Parks for the purpose of transparency and consultation. The information is collected under the authority of the Environmental Assessment Act or is collected and maintained for the purpose of creating a record that is available to the general public as described in s.37 of the Freedom of Information and Protection of Privacy Act. Personal information you submit will become part of a public record that is available to the general public unless you request that your personal information remain confidential. For more information, please contact the ministry's Freedom of Information and Privacy Coordinator at 416-327-1434.

This Notice issued on October 10th and 17th, 2019.

Wendy Cooke
City Clerk

Bala Araniyasundaran, P. Eng.
Director of Engineering
