7.2 Per building for projects regulated by site plan control, for initial development, collected at time of permit application	\$456.57	\$477.12
NOTES:		
Building permit application fee(s) for a project shall be calculated by:		
a) Determining the occupancy classification, total floor area (including basement and below grade levels) and scope of work for which the permit applies;		
b) Multiplying the fee rate listed by the appropriate measure;		
c) Adding any additional fee rates where noted;		
d) Ensuring the total permit fee is at least the minimum fee listed in section 1.1.		
Pre-screening fee to be applied to all permit applications.		
Except as provided in the additional fee rates listed in sections 1.9, 1.10 and 1.11, 1.12 and section 4, all work associated with a project and shown on the permit application drawings are included in the base fee rate.		
The Chief building Official may determine appropriate fees where not listed in the schedule or where special circumstances warrant different fees.
