CAMPUS PROGRESS: WHERE WE ARE TODAY
PROJECT SCHEDULE

SITE PREPARATION
(Sept. 17 - Jan. 18)

CONSTRUCTION

POST CONSTRUCTION
(Dec. 19 - Mar. 20)

GROUND BREAKING

LANDSCAPING

START OF PHASED MOVE IN
TODAY:

Site
- Phased backfilling + underground services are ongoing

Building A
- Concrete super-structure is complete
- 700+ tonnes of rebar have been installed
- 1,200+ concrete trucks have delivered to site
- Building envelope is underway

Building C
- Footings + foundations complete
- Building pre-manufactured shell delivery on target for November
FACILITY CONSTRUCTION

TRAFFIC

• Traffic impacts are not expected as traffic will be routed to the site using multiple access points. Occasional flagging at the entrance may be required for safety reasons during large shipments.

NOISE & VIBRATION

• There will be normal construction noise during permitted hours of work.
• Regular monitoring of vibration levels will be ongoing ensuring all levels are within acceptable limits.

AERIAL PERSPECTIVE
FOR MORE INFORMATION
Barrie-Simcoe Emergency Services Campus

This project is a partnership between the City of Barrie and County of Simcoe. Once complete, this modern facility will house the Barrie Police Service, Simcoe County Paramedic Services, and Barrie Fire and Emergency Service dispatch communications in one location at 110 Fairview Road in Barrie.

Community Information Session: Tuesday, October 30, 7 p.m.
Allendale Recreation Centre, 590 Bayview Drive, Barrie

What to expect:
- An update from the project team on the campus progress, and project timeline
- An opportunity to meet the project team and ask questions. Provide your thoughts, comments, and feedback regarding the development

If you are unable to attend the Community Information Session, but would like further information on the project, please contact the project hotline number: 705-793-4221 Ext. 7111.

Project Updates
September 2019
- Major site construction is ongoing and progressing well
- Level 2 Emerson and work to the north are complete
- Level 4 Suspended slab is now complete
- Drilling on Level 1 has been removed
- Wires have started on Building A rebar Fondock
- Exterior walls masonry, steel stud, and sheathing install has begun on Level 1
- Mechanical and electrical work in mullings are ongoing and progressing well
- Begin excavation for Building C Foundations and footing

Project Progress info was presented to Council September 24th, 2019

Next Priorities:
- Continue exterior walls masonry, steel stud, and sheathing install
- Begin exterior site services works including underground services and backfilling
- Concrete footing and foundation works for Building C

August 2019
- Project is actively progressing with current work focused on exterior construction
- Site progress meetings held with project team members
- Progress info was presented to Council late August 2019
Barrie-Simcoe Emergency Services Campus Construction

By The City of Barrie - April 4, 2018 - 150 Finch Street, Barrie

This Barrie-Simcoe Emergency Services Campus project is a partnership between the City of Barrie and County of Simcoe. Once complete, this modern facility will house the Barrie Police Service, Simcoe County Paramedic Services and Barrie/The joint Emergency Service dispatch communications in one location at 150 Finch Street in Barrie.

Please visit www.barrie.ca/EmergencyCampus for project details. As construction progresses, we'll add photos to this album.
