

**July 9, 2020**

The purpose of this information bulletin is to provide a status update on the cleaning of stormwater management pond (BR14), known as “Eco Park Pond”, located at 121 Ferndale Drive South (see image below).

### **BR14 Cleanout Work Status Update**

Due to the COVID-19 pandemic, the contracted work that was originally scheduled for fall 2020 has been cancelled. The work will be completed at a later date.

### **Who to Call If I Have Any Questions?**
