

City of Barrie Load Restricted Roads

The City of Barrie applies "Load Restrictions" to various roads within the municipality, during spring thaw, to protect the road while the frost is coming out of the ground. Signs will be posted on these roads, however, please review the below list to help plan your route. During this time no commercial motor vehicle weighing over five tonnes (5,000 kg) per axle is permitted to operate on the identified street.

Effective Date of Load Restrictions: March 1st to April 30th.

The following Roads are load restricted during the load restriction period:

<u>Street</u>	<u>From</u>	<u>To</u>
Miller Drive	Sproule Drive	North Limit
Edgehill Drive	Ferndale Drive	Miller Drive
Salem Road	County Road 27	Huronian Road
McKay Road	County Road 27	Huronian Road
Veterans Drive	Salem Road	South City Limit
Huronian Road	Salem Road	South Limit
Lockhart Road	Huronian Road	20th Sideroad
Mapleview Drive East	Prince William Way	20th Sideroad
St. Paul's Crescent	Yonge Street	Yonge Street
20th Sideroad	Big Bay Point Road	Lockhart Road
