Waterfront Rates

Free with a digital waterfront parking permit. Drivers can park without a hangtag pass/permit for \$15/hour with a daily max of \$60 in select waterfront parking areas (detailed in maps below).

Enforcement

Waterfront parking is enforced 24/7/365 (including statutory holidays), however overnight parking is not permitted in all waterfront parking areas (lots and on-street) from December 1 through March 31 (12:01-5 a.m.). Waterfront permits are fully digital. Once your permit is active, no physical pass or display is required when parking at the waterfront. Each digital permit is tied to a specific licence plate. Enforcement Services officers can verify if the parked vehicle has a permit through the licence plate number.
