

Please note, this document is from 2021.

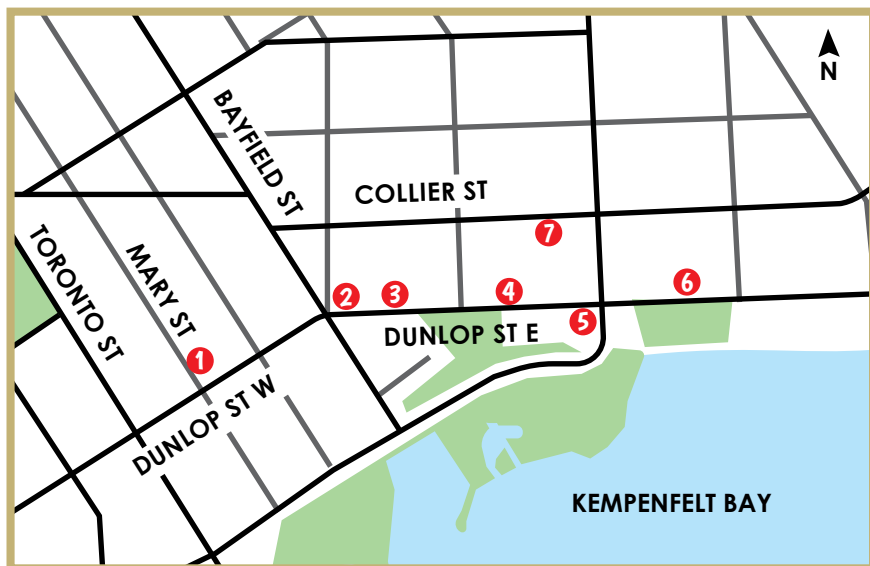

The 2021 exhibition is no longer on display.
The information below is available for reference
of the past Brightening Barriers exhibition.

Brightening Barriers

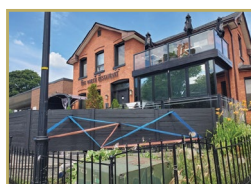

Artist Designed Patio Enhancement

Walking Tour Guide

Brightening Barriers is a temporary public art project organized by the City of Barrie and the Barrie Public Art Committee. The art will remain on display until November 30, 2021. Local and regional artists have been paired with downtown business owners to create an artistic response on their seasonal patio fencing. Take a walk through downtown and visit all seven installations!
