

Revision to an Issued Building Permit

Application Requirements:

Application – Revision to a building permit (page 2 of this document).

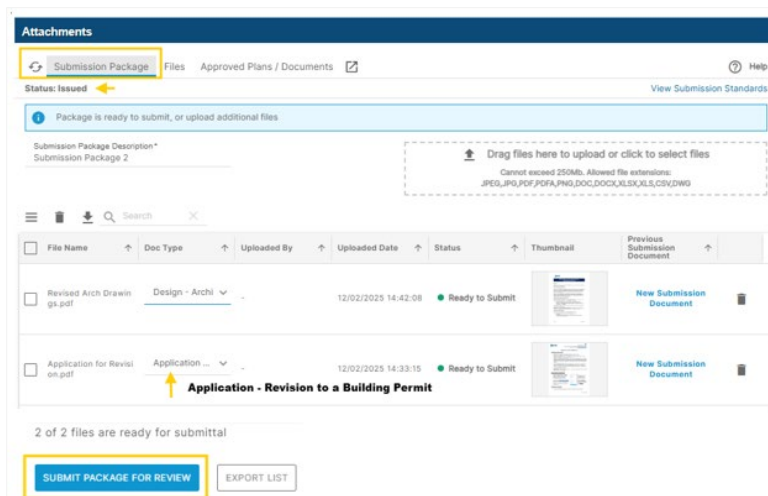

Drawings (digital PDF). All revisions **MUST be clouded** clearly indicating the proposed changes. Title block must contain the revision date.

Schedule 1: Designer Information form is required if the designer changes for the entire set of permit drawings. If required, attach a Schedule 1 for each individual who reviews and takes responsibility for design activities **or** provide drawings stamped by a Professional Engineer or Architect.

Your building permit must be issued. Change requests that occur prior to permit issuance are considered resubmissions and are addressed during plan review. A revision to a building permit is only permitted prior to the final inspection of the building (or shell). A new application shall be submitted if the building has received final inspection, and the file has been closed by the City.

Revision fee (a revision fee will be invoiced upon receipt of your application and must be paid prior to issuance of your revision).

How to submit your application:

Step #1 Upload Documents: Login to [APLI](#) and navigate to the 'Attachments' tab. Upload your revision application (under **Doc Type**, select **Application – Revision to a Building Permit**) and the revised drawings.

Step #2 Email: Building.Official@barrie.ca and let us know you are submitting a revision application. In the **subject line**, please add '**Application for Revision**' and provide the permit number.

Application Processing:

You can track the status of your revision through APLI and pay fees when required.
