

## BAYVIEW DRIVE IMPROVEMENTS (Little Avenue to Big Bay Point Road)

**Start Date: Summer 2024**

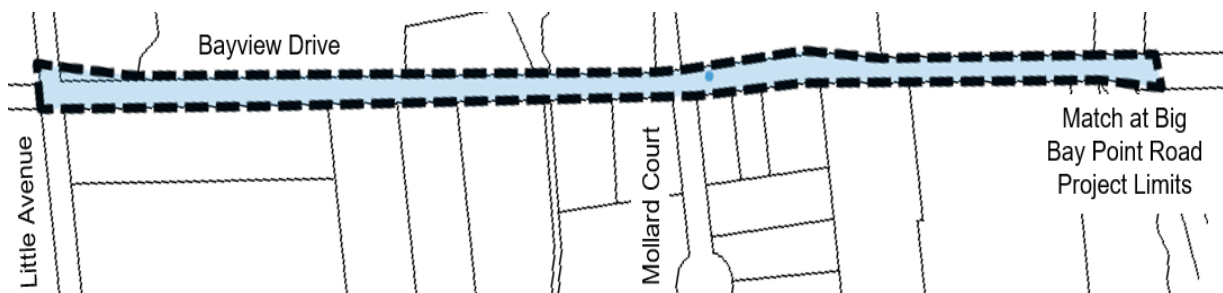

**End Date: Spring 2026**

*Timeline is subject to change.*

As the reconstruction of Bayview Drive, from Little Avenue to Big Bay Point Road, continues one-way access southbound on Bayview Drive will remain in place until early Summer 2025. Primrose Contracting Inc. (Primrose) will continue as the contractor for this work. A website update and corresponding social media post will help communicate this information to the public.

This work is part of Barrie City Council’s approved 2024 Capital Plan to renew aging City roadways, sidewalks, watermains and stormwater infrastructure.

### MAP OF THE WORK AREA

### WORK DETAILS

Primrose is:

- Widening the existing road from two (2) lanes to three (3) lanes (centre turning lane)
- Installing cycle tracks on both sides of the road
- Installing a sidewalk on the west side of the road
- Installing a new watermain, storm sewer and, three (3) crossing culverts

### WHAT TO EXPECT DURING CONSTRUCTION

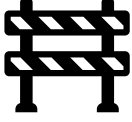

You may experience inconveniences such as, dust, noise, and short delays. The City of Barrie (City) will make efforts to reduce impacts, and your patience is appreciated.

Further notice will be provided to property owners who are required to remove items such as decorative objects, located within City property limits (boulevard).

If you have a sprinkler system within the boulevard portion of your property, please contact a representative identified below. The City will not be responsible for damage to any privately owned items on City property, including the sprinkler system.

Access to businesses will be maintained at all times.

	<p><b>Road and Sidewalk Access:</b></p> <p>Pedestrian access will be maintained during construction.</p> <p>The one-way road configuration will remain in place for the winter and spring seasons.</p>
	<p><b>Driveway Access:</b></p> <p>Notices will be provided to property owners and businesses when there are disruptions to driveway access.</p> <p>Access for emergency vehicles will be maintained at all times.</p>

	<p><b>Services:</b></p> <p>Water services will be shut off for short durations of the construction to allow for connection to the new watermain. Advance notice will be provided to property owners and businesses prior to any water shutoffs.</p> <p>Hydro, sanitary sewer services, telephone, cable TV, and gas services should not be affected by the construction, barring any unforeseen circumstances.</p>
	<p><b>Accessibility:</b></p> <p>If you have any accessibility requirements, such as wheelchair access, please contact a representative listed below.</p>
	<p><b>Traffic Management:</b></p> <p>The Contractor will use traffic control measures, such as traffic cones, to steer traffic around contractor equipment and vehicles within the construction site. Flag persons will assist with traffic control, if required.</p>
	<p><b>Transit Service:</b></p> <p>The proposed construction affects Barrie Transit routes, and schedules. Changes to bus routes in the construction area will continue to be posted in advance.</p>
	<p><b>Parking:</b></p> <p>Parking on roadways in an active construction area is not permitted. Vehicles parked in the construction area will be ticketed and towed.</p>
	<p><b>Garbage and Recycling:</b></p> <p>Garbage, recycling, and yard waste will be collected on the regular collection day during construction. Primrose will need to move items to a designated area for pickup by the City's waste contractor. Garbage cans, organics bins, and recycling boxes will be returned to your property later the same day. <b>Clearly mark your address on all containers.</b></p> <p>Ensure everything for pick up is curbside by <b>7:00 a.m. on the collection day or it may not be picked up.</b></p>
	<p><b>Safety:</b></p> <p>The contractors are required to conduct work in a safe manner, such as using traffic barrels and fencing off excavations. Please use extra caution in the construction zone to ensure everyone's safety.</p>
