

Notice of Public Information Centre No. 3
Bayfield Street Transportation Improvements, City of Barrie
Municipal Class Environmental Assessment Study

THE STUDY

City of Barrie has retained WSP Canada Inc. (WSP) to complete a Municipal Class Environmental Assessment (MCEA) Study for transportation improvements on Bayfield Street from Grove Street to the City of Barrie limits. The location of the work to be completed is shown on the enclosed key map.

THE PROCESS

This MCEA Study will follow the planning and design process following the Municipal Engineers Association’s MCEA 2024 process for a Schedule ‘C’ undertaking, which is an approved process under the Ontario Environmental Assessment Act. Once the study is complete, an Environmental Study Report (ESR) will be prepared and filed for a 30-day public review period. Pending completion of the MCEA and subject to budget approval, the City intends to proceed to the detailed design phase of the project.

PUBLIC INFORMATION CENTRE No. 3 INVITATION TO ATTEND

Public Information Centre (PIC) No. 3 is being hosted by the City of Barrie to provide the latest project information including community feedback, the road design alternatives under consideration, the evaluation and identification of the recommended design, and next steps in the study process.

Date:	Thursday, May 29, 2025
Time:	4:30 p.m. to 7:00 p.m. (drop-in anytime)
Location:	City Hall Rotunda, 70 Collier Street, Barrie (access via rear parking lot entrance doors)

Presentation materials will be shared online following the PIC at www.buildingbarrie.ca/bayfieldstudy.

IMPORTANT STUDY INFORMATION

PIC No. 3 will be presenting the preferred design solution. The preferred design solution includes the addition of a travel lane in each direction, improved pedestrian and transit stop infrastructure, addition of cycling infrastructure and a raised median.

HOW CAN YOU GET INVOLVED?

- Attend Public Information Centre No. 3 to view project information and speak to the project team
- Provide [formal project comments](#) through the online comment form available on the project website
- Register for the [project mailing list](#) to receive the latest project news, updates and notices of events on the project website
- Visit the project website at www.buildingbarrie.ca/bayfieldstudy to check out project content, documents, access project engagement tools, and view the previous Public Information Centre recording

Please provide any comments by June 12, 2025

If you would like to reach a project representative directly, please contact:

Brett Gratrix, P.Eng.

Senior Project Manager - Transportation Planning, Development Services, City of Barrie
