I/We are the owners of the above-mentioned property address and authorize the noted Property Management Company/Agent to make changes to the water account on our behalf and access account details.

I/We understand that as per Section 8.17 of the City of Barrie By-Law 2016-115, the owner assumes full responsibility for all charges applied to the account for the provision of water and wastewater services, including charges for service work, in the event that the occupant fails to pay. Under the Municipal Act, 2001, Section 398 (2), all fees charged under this by-law are considered a lien on the property and any water and wastewater arrears can be transferred to the property tax account for collection if they remain unpaid.
