

PRV CHAMBER REPLACEMENT – Livingstone Street East at Osprey Ridge Road

START DATE: JULY 2025
END DATE: AUGUST 2025
Timeline is subject to change.

The City of Barrie (City) is replacing the pressure reducing valve (PRV) chamber located in the north-east quadrant of the Livingstone Street East and Osprey Ridge Road intersection and has awarded the contract to Avertex Utility Solutions Incorporated (Avertex).

This work is part of City Council’s approved 2024 budget and aligns with the Infrastructure Investments priority from their strategic direction.

MAP OF THE WORK AREA

WORK DETAILS

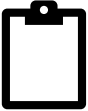

- Avertex will:
- Remove and replace the existing PRV chamber;
 - Commission the new PRV chamber;
 - Replace the water services at 65 and 66 Osprey Ridge Road;
 - Remove and replace asphalt on Osprey Ridge Road east of Livingstone Street for approximately 30m; and
 - Restore the disturbed areas.

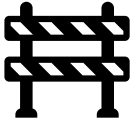

WHAT TO EXPECT DURING CONSTRUCTION

You may experience inconveniences such as, dust, noise, and short delays. The City will make efforts to reduce impacts, and your patience is appreciated.

Further notice will be provided to property owners who are required to remove items such as decorative objects, located within City property limits (boulevard).

If you have a sprinkler system within the boulevard portion of your property, please contact the City representatives identified below. The City will not be responsible for damage to any privately owned items on City property, including sprinkler system.

	The Contractor has retained the services of OZA Inspections Limited) to complete a precondition survey of the Interior and Exterior of your home. Separate letters will be sent from the City and the survey company to book an appointment.
	Road and Sidewalk Access: Pedestrian access will be maintained during construction. Roads will always be open to traffic, barring any unforeseen circumstances. Access for emergency vehicles will always be maintained.

	<p>Driveway Access:</p> <p>Vehicle entry to properties within the construction limits will be available. At times, direct access to driveways will be interrupted, for watermain work, concrete work, and asphalt paving operations. Advanced notice will be provided to affected residents.</p> <p>Services:</p> <p>Hydro, sanitary sewer services, telephone, cable TV, and gas services should not be affected by the construction, barring any unforeseen circumstances.</p> <p>Water service will be interrupted for a short period of time. Advance notice of the service interruptions will be provided.</p>
	<p>Accessibility:</p> <p>If you have any accessibility requirements, such as wheelchair access or home care, please contact the City representatives listed below.</p>
	<p>Traffic Management:</p> <p>The Contractor will use traffic control measures, such as traffic cones to steer through traffic around contractor equipment and vehicles, within the construction site. Flag persons will assist with traffic control, if required.</p>
	<p>Transit Service:</p> <p>The proposed construction WILL NOT affect Barrie Transit routes, and schedules.</p>
	<p>Parking:</p> <p>Parking on roadways in an active construction area is not permitted. Vehicles parked in the construction zone will be ticketed and towed.</p>
	<p>Garbage and Recycling:</p> <p>Garbage, recycling, and yard waste will be collected on the regular collection day during construction. In the chance that waste containers require relocation, it is strongly recommended that you clearly mark your address on all waste containers.</p> <p>Ensure everything for pick up is curbside by 7:00 a.m. on the collection day or it may not be picked up.</p>
	<p>Safety:</p> <p>The Contractor is required to conduct work in a safe manner, such as using traffic cones and fencing off excavations. Please use extra caution in the construction zone to ensure everyone's safety.</p>
