

**NOTICE OF INTENT TO DESIGNATE A PROPERTY – 84 CUMBERLAND ST PURSUANT TO
SECTION 29 (1) OF THE *ONTARIO HERITAGE ACT*, R.S.O. 1990, C. O.18**

Date: July 10, 2025

TAKE NOTICE that the Council of the City of Barrie intends to designate a property municipally known as **84 Cumberland Street**, pursuant to Part IV, Section 29 of the *Ontario Heritage Act*, R.S.O. 1990, c.O.18, as amended, as a property of cultural heritage value or interest.

REASON FOR DESIGNATION

The property municipally known as **84 Cumberland Street** is worthy of designation under Part IV, Section 29 of the *Ontario Heritage Act* for its cultural heritage value and meets Ontario Regulation 9/06 – the provincial criteria prescribed for municipal designation – under the categories of design or physical value, and contextual value.

DESCRIPTION OF PROPERTY

The subject property municipally addressed as **84 Cumberland Street** is located in the historic neighbourhood of Allandale. The property is on the south side of Cumberland Street, west of Bayview Drive, east of William Street, and north of Burton Avenue. The property is legally described as LT 27 S/S CUMBERLAND ST PL 40 ALLANDALE; BARRIE.

STATEMENT OF CULTURAL HERITAGE VALUE OR INTEREST

The subject property demonstrates design/physical and contextual values. The property demonstrates design/physical value because the house at 84 Cumberland Street is a representative example of a late 19th century dichromatic red and buff brick dwelling with a traditional L-shaped layout. The property demonstrates contextual value given that it is important in maintaining the character of the area, which can be describe as that of a late 19th-early 20th century residential streetscape. The stretch of Cumberland Street between Bayview Drive and Milburn Street in particular is comprised predominantly of original late 19th and early 20th century homes, most of which are constructed of complimentary red brick. In particular, the house at 88 Cumberland Street also includes buff brick accents. This particular area is representative of an original streetscape as so many of the first homes built there are still present.

HERTIAGE ATTRIBUTES

The following list of heritage attributes apply to the 1.5 storey dwelling:

- Slope and pitch of the multi-gable roof;
- Original fieldstone foundation;
- Original red brick exterior at the north (front), east, and west elevations, including its original L-shaped footprint;
- All original window and door openings at the north, east, and west elevations, including sills and brick voussoirs; and
- Deep setback of approximately 19 metres from the sidewalk.
