MAP OF THE WORK AREA

WHAT TO EXPECT DURING CONSTRUCTION

You may experience inconveniences such as dust, noise, and short delays. The City will make efforts to reduce impacts, and your patience is appreciated.

Further notice will be provided to property owners who are required to remove items, such as decorative objects, located within City property limits (boulevard).

If you have a sprinkler system within the boulevard portion of your property, please contact the City representatives identified below. The City will not be responsible for damage to any privately owned items on City property, including sprinkler system.

	<p>Road and Sidewalk Access:</p> <p>Pedestrian access will be maintained during construction.</p> <p>The Contractor will close active construction areas to through traffic with access to residences being maintained. The City will post signage, as required, for detour routes.</p> <p>Access for emergency vehicles will always be maintained.</p>
--	--

	<p>Driveway Access:</p> <p>Vehicle entry to properties within the construction limits will be available.</p> <p>At times, direct access to driveways will be interrupted, for watermain and sanitary sewer work and, concrete curb and sidewalk replacement. Advance notice will be provided to residents with driveway access interruptions.</p> <p>Services:</p> <p>Hydro, telephone, cable TV, and gas services should not be affected by the construction, barring any unforeseen circumstances.</p> <p>Water and Sanitary Sewer Services will be interrupted for a short period of time. Advance notice of the service interruptions will be provided.</p>
	<p>Accessibility:</p> <p>If you have any accessibility requirements, such as wheelchair access or home care, please contact the City representatives listed below.</p>
	<p>Traffic Management:</p> <p>The Contractor will use traffic control measures, such as traffic cones to steer traffic around the contractor's equipment and vehicles, within the construction site. Flag persons will assist with traffic control, if required.</p>
	<p>Transit Service:</p> <p>The proposed construction will affect Barrie Transit routes, and schedules. Changes to bus routes in the construction area will be posted in advance.</p>
	<p>Parking:</p> <p>Parking on roadways in an active construction area is not permitted. Vehicles parked in the construction area will be ticketed and towed.</p>
	<p>Garbage and Recycling:</p> <p>Garbage, recycling, and yard waste will be collected on the regular collection day during construction. The Contractor may need to move items to a designated area for pickup by the City's waste contractor. Garbage cans, organics bins, and recycling boxes will be returned to your property later the same day. Clearly mark your address on all containers.</p> <p>Ensure everything for pick up is curbside by 7:00 a.m. on the collection day or it may not be picked up.</p>
	<p>Safety:</p> <p>The Contractor is required to conduct work in a safe manner, such as using traffic cones and fencing off excavations. Please use extra caution in the construction zone to ensure everyone's safety.</p>

The City would like to thank all residents for their support and cooperation throughout the duration of this project. The City recognizes the impact this work may have on your daily routines and appreciate your understanding and patience throughout the project.
