

2025 PAVEMENT MANAGEMENT PROGRAM

RE-START DATE: APRIL 2026

END DATE: JUNE 2026

**Timeline is subject to change.*

The City of Barrie (City) is continuing work on the 2025 Pavement Management Program, being performed by GIP Paving Incorporated (Contractor).

WORK UPDATE

The Contractor will continue progress on the outstanding streets, which include:

Street	Work To Be Completed In 2026
Penetanguishene Road (Shanty Bay Road to end of road)	Surface asphalt placement; Sod restorations.
Sunnidale Road (Brookdale Drive to Wellington Street West)	Asphalt removal and replacement; Sod restorations.
Tollendal Mill Road (Hurst Drive to Tollendal Village Drive)	Asphalt removal and replacement; Sod restorations.
Vancouver Street (Codrington Street to Steel Street)	Surface asphalt placement; Sod restorations.
Weldon Crescent (Weldon Street to Weldon Street)	Surface asphalt placement; Sod restorations.

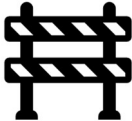

WHAT TO EXPECT

You may continue to experience inconveniences such as, dust, noise, and short delays. The City will make efforts to reduce impacts, and your patience is appreciated.

Further notice will be provided to property owners who are required to remove items such as decorative objects, located within City property limits (boulevard).

If you have a sprinkler system within the boulevard portion of your property, please contact the City representatives identified below. The City will not be responsible for damage to any privately owned items on City property, including sprinkler system.

	Road and Sidewalk Access: Pedestrian access will be maintained during construction. Roads will be open to traffic at all times, barring any unforeseen circumstances. Access for emergency vehicles will always be maintained.
---	---

	Driveway Access: Vehicle entry to properties within the construction limits will be available. Services: Hydro, sanitary sewer services, water services, telephone, cable TV, and gas services should not be affected by the construction, barring any unforeseen circumstances.
	Accessibility: If you have any accessibility requirements, such as wheelchair access or home care, please contact the City representatives listed below.
	Traffic Management: The Contractor will use traffic control measures, such as traffic cones to steer through traffic around contractor equipment and vehicles, within the construction site. Flag persons will assist with traffic control, if required.
	Transit Service: The proposed construction will not affect Barrie Transit routes, and schedules.
	Parking: Parking on roadways in an active construction area is not permitted. Vehicles parked in the construction zone will be ticketed and towed.
	Garbage and Recycling: Garbage, recycling, and yard waste will be collected on the regular collection day during construction. Ensure everything for pick up is curbside by 7:00 a.m. on the collection day or it may not be picked up.
	Safety: The Contractor is required to conduct work in a safe manner, such as using traffic cones and fencing off excavations. Please use extra caution in the construction zone to ensure everyone's safety.

The City would like to thank all residents for their support and cooperation throughout this project. The City recognizes the impact this work may have on your daily routines and appreciates your understanding and patience throughout the project.
