WHAT TO EXPECT DURING CONSTRUCTION

You may experience inconveniences such as, dust, noise, and short delays. The City will make efforts to reduce impacts, and your patience is appreciated.

Further notice will be provided to property owners who are required to remove items such as decorative objects, located within City property limits (boulevard).

Pedestrian traffic will be maintained throughout the project with redirection to opposite side of the street when required.

If you have a sprinkler system within the boulevard portion of your property, please contact the City representatives identified below. The City will not be responsible for damage to any privately owned items on City property, including sprinkler system.

	<p>Road and Sidewalk Access:</p> <p>Pedestrian access adjacent to the parking lots will be maintained during construction. Access to the parking lots will be restricted.</p> <p>Roads adjacent to the parking lots will be open to traffic at all times, barring any unforeseen circumstances.</p> <p>Access for emergency vehicles will always be maintained.</p>
	<p>Driveway Access:</p> <p>Vehicle entry to properties adjacent to the construction limits will be available.</p> <p>Services:</p> <p>Hydro, sanitary sewer services, water services, telephone, cable TV, and gas services should not be affected by the construction, barring any unforeseen circumstances.</p>
	<p>Accessibility:</p> <p>If you have any accessibility requirements, such as wheelchair access or home care, please contact the City representatives listed below.</p>
	<p>Traffic Management:</p> <p>The Contractor will use traffic control measures, such as traffic cones to steer through traffic around contractor equipment and vehicles, within the construction site. Flag persons will assist with traffic control, if required.</p>
	<p>Transit Service:</p> <p>The proposed construction will not affect Barrie Transit routes, and schedules.</p>
	<p>Parking:</p> <p>Parking lots will be closed during active construction. Vehicles parked in the construction zone will be ticketed and towed.</p>
	<p>Garbage and Recycling:</p> <p>Garbage, recycling, and yard waste will be collected on the regular collection day during construction.</p> <p>Ensure everything for pick up is curbside by 7:00 a.m. on the collection day or it may not be picked up.</p>
	<p>Safety:</p> <p>The Contractor is required to conduct work in a safe manner, such as using traffic cones and fencing off excavations. Please use extra caution in the construction zone to ensure everyone's safety.</p>
