

2026 PAVEMENT MANAGEMENT PROGRAM - CONTRACT 2

START DATE: MAY 2026
END DATE: NOVEMBER 2026

**Timeline is subject to change.*

The City of Barrie (City) is undertaking the annual Pavement Management Program, which includes road resurfacing and pavement defect repairs, such as cracks and rutting found in the top layers of the road. The goal is to proactively prevent roads from deteriorating to the point they would require more extensive and costly rehabilitation, and/or reconstruction and has awarded the contract to IPAC Paving Limited (Contractor).

This work is part of City Council's approved 2026 budget and aligns with the Infrastructure Investments from their strategic direction.

WORK AREA

Contract 2 includes work on the following roadways:

- Bayview Street from Mapleview Drive to Lockhart Road
- Broadfoot Road from Leacock Drive to Fox Run
- Eden Drive from Leacock Drive to Fox Run
- Fox Run from Edgehill Drive to Leacock Drive
- Hemingway Crescent from Fox Run to Fox Run
- Little Avenue from Fairview Road to Huronia Road
- Little Avenue from Yonge Street to Hurst Drive
- Madelaine Drive installation of Speed Cushions
- Marina Operations Parking Lot (65 Vespra Street)

WORK DETAILS

IPAC Paving Ltd. will:

- Remove and replace localized sections of concrete curbs and sidewalk as necessary
- Remove existing asphalt and resurface the roadway
- Complete localized driveway and boulevard restorations when impacted by the curb and sidewalk replacement works

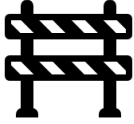

WHAT TO EXPECT DURING CONSTRUCTION

You may experience inconveniences such as, dust, noise, and short delays. The City will make efforts to reduce impacts, and your patience is appreciated.

Further notice will be provided to property owners who are required to remove items such as decorative objects, located within City property limits (boulevard).

If you have a sprinkler system within the boulevard portion of your property, please contact the City representatives identified below. The City will not be responsible for damage to any privately owned items on City property, including sprinkler system.

	<p>The Contractor has retained the services of GPM Environmental to complete a precondition survey of the exterior of your home. Separate letters will be sent from the City and GPM Environmental to book an appointment.</p>
	<p>Road and Sidewalk Access: Pedestrian access will be maintained during construction. Roads will be open to traffic at all times, barring any unforeseen circumstances. Access for emergency vehicles will always be maintained.</p>

	<p>Driveway Access:</p> <p>Vehicle entry to properties within the construction limits will be available. At times, direct access to driveways may be interrupted.</p> <p>Services:</p> <p>Hydro, sanitary sewer services, water services, telephone, cable TV, and gas services should not be affected by the construction, barring any unforeseen circumstances.</p>
	<p>Accessibility:</p> <p>If you have any accessibility requirements, such as wheelchair access or home care, please contact the City representatives listed below.</p>
	<p>Traffic Management:</p> <p>The Contractor will use traffic control measures, such as traffic cones to steer through traffic around contractor equipment and vehicles, within the construction site. Flag persons will assist with traffic control, if required.</p>
	<p>Transit Service:</p> <p>The proposed construction will affect Barrie Transit routes, and schedules. Changes to bus routes in the construction area will be posted in advance.</p>
	<p>Parking:</p> <p>Parking on roadways in an active construction area is not permitted. Vehicles parked in the construction zone may be ticketed and towed.</p>
	<p>Garbage and Recycling:</p> <p>Garbage, recycling, and yard waste will be collected on the regular collection day during construction. IPAC Paving Ltd may need to move items to a designated area for pickup by the City's waste contractor. Garbage cans, organics bins, and recycling boxes will be returned to your property later the same day. Clearly mark your address on all containers.</p> <p>Ensure everything for pick up is curbside by 7:00 a.m. on the collection day or it may not be picked up.</p>
	<p>Safety:</p> <p>The Contractor is required to conduct work in a safe manner, such as using traffic cones and fencing off excavations. Please use extra caution in the construction zone to ensure everyone's safety.</p>
