

GROVE NEIGHBOURHOOD RESURFACING

START DATE: SEPTEMBER 2026

END DATE: NOVEMBER 2026

**Timeline is subject to change.*

The City of Barrie (City) will be resurfacing sections of roadway in your neighbourhood and has awarded the contract to 1108575 Ltd O/A Kon-Strutt Construction (Contractor).

This work is part of City Council's approved 2026 budget and aligns with the Infrastructure Investments from their strategic direction.

MAPS OF THE WORK AREA

Fig 2 (5 & 6 Sideroad)

WORK DETAILS

The Contractor will:

- Dig up the roadway
- Resurface the roadway, remove existing asphalt, regrade of granular road base
- Supply and place the base and surface course asphalt
- Install new pavement markings
- Restore boulevards and shoulders impacted by the work

WHAT TO EXPECT DURING CONSTRUCTION

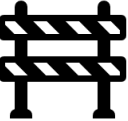

You may experience inconveniences such as, dust, noise, and short delays. The City will make efforts to reduce impacts, and your patience is appreciated.

Further notice will be provided to property owners who are required to remove items such as decorative objects, located within City property limits (boulevard).

If you have a sprinkler system within the boulevard portion of your property, please contact the City representatives identified below. The City will not be responsible for damage to any privately owned items on City property, including sprinkler systems.

The Contractor has retained the services of GPM Environmental to complete a precondition survey of the exterior of your home. Separate letters will be sent from the City and the survey company to book an appointment, if one is required.

	Road and Sidewalk Access: Pedestrian access will be maintained during construction. The Contractor will close active construction areas to through traffic with access to residences being maintained. The City will post signage, as required, for detour routes. Access for emergency vehicles will always be maintained.
	Driveway Access: Vehicle entry to properties within the construction limits will be available. At times, direct access to driveways will be interrupted. Services: Hydro, sanitary sewer services, water services, telephone, cable TV, and gas services should not be affected by the construction, barring any unforeseen circumstances.
	Accessibility: If you have any accessibility requirements, such as wheelchair access or home care, please contact the City representatives listed below.
	Traffic Management: The Contractor will use traffic control measures, such as traffic cones to steer through traffic around contractor equipment and vehicles, within the construction site. Flag persons will assist with traffic control, if required.
	Transit Service: The proposed construction will not affect Barrie Transit routes, and schedules.
	Parking: Parking on roadways in an active construction area is not permitted. Vehicles parked in the construction zone will be ticketed and towed.
	Waste Collection: Garbage, recycling, organics, and yard waste will be collected on your regular collection day during construction. The Contractor may need to move items to a designated area for pick-up by the waste collection contractor. Carts and recycling boxes will be returned to your property later the same day. Clearly mark your address on all containers and ensure everything for pick-up is curbside by 7:00 a.m. on the collection day.
	Safety: The Contractor is required to conduct work in a safe manner, such as using traffic cones and fencing off excavations. Please use extra caution in the construction zone to ensure everyone's safety.
