# NOTICE OF EVENING WORK

HURONIA ROAD
(From Herrell Avenue to Little Avenue)
October 20, 2026, to October 30, 2026
7:00 PM to 10:00 PM

The City of Barrie (City), in partnership with its contractor, Fer-Pal Construction Limited (Fer-Pal) will be performing watermain lining on your street.

Fer-Pal is continuing their work on the Huronia Road Watermain Lining project, which includes installing a watermain lining on Huronia Road, between Herrell Avenue and Little Avenue. This work involves longer hours to complete the installation, and Fer-Pal will work into the evenings.

Roadway and driveway access will continue to be available, with no additional closures, barring any unforeseen circumstances.

A watermain lining truck has been approved by the City to operate during this evening work. The truck produces a low hum from a generator. No other noise-producing equipment will be used during this evening work.

We apologize for any inconvenience and thank you for your patience and cooperation during the construction period.

If you have questions or concerns, please contact the undersigned:

Jenny Rae, C. Tech., Engineering Contract Administrator
