WORK UPDATE

The Contractor will continue progress by:

- Excavate St. Paul's Crescent to install the sanitary sewer.
- Reconstructing and widening Mapleview Drive East (from Yonge Street to Kneeshaw Drive/Lily Drive) to four (4) through lanes with a centre median.
- Adding a multi-use trail on the north and south sides.
- Advancing work on the at-grade crossing of roadway and Metrolinx GO Rail Corridor.
- Implementing storm and sanitary sewers.
- Upgrading traffic signals at Lily Drive and Kneeshaw Drive intersection.
- Installation of a signalized pedestrian crossing at Royal Jubilee Drive/Lally Terrace intersection
- Improving the intersection at Yonge Street.
- Improving street lighting.

WHAT TO EXPECT

You may continue to experience inconveniences such as, dust, noise, and short delays. The City will make efforts to reduce impacts, and your patience is appreciated.

Further notice will be provided to property owners who are required to remove items such as decorative objects, located within City property limits (boulevard).

If you have a sprinkler system within the boulevard portion of your property, please contact the City representatives identified below. The City will not be responsible for damage to any privately owned items on City property, including sprinkler system.

Road and Sidewalk Access:

St. Paul's Crescent will be closed to through traffic between **Mapleview Drive East and Yonge Street**, from **November 11 to November 25, 2026**. Access to

	residences and businesses within the construction limits will be maintained through construction from Yonge Street. Yonge Street will serve as the detour route for traffic while St. Paul's Crescent is closed. Emergency vehicle access will be maintained at all times.
	**Driveway Access:** Vehicle entry to properties within the construction limits will be available. At times, direct access to driveways will be interrupted for concrete curb, storm sewer and sanitary sewer work. **Services:** Hydro, sanitary sewer services, water services, telephone, cable TV, and gas services should not be affected by the construction, barring any unforeseen circumstances.
	**Accessibility:** If you have any accessibility requirements, such as wheelchair access or home care, please contact the City representatives listed below.
	**Traffic Management:** The Contractor will use detour routes for traffic to reroute vehicles around the St. Paul's Crescent road closure via Mapleview Drive East and Yonge Street.
	**Transit Service:** The proposed construction will affect Barrie Transit routes, and schedules. Changes to bus routes in the construction area will be posted in advance.
	**Parking:** Parking on roadways in an active construction area is not permitted. Vehicles parked in the construction zone will be ticketed and towed.
	**Waste Collection** Garbage, recycling, organics, and yard waste will be collected on your regular collection day during construction. The Contractor may need to move items to a designated area for pick-up by the waste collection contractor. Carts and recycling boxes will be returned to your property later the same day. **Clearly mark your address on all containers** and, ensure everything for pick-up is curbside by **7:00 a.m. on the collection day.**
	**Safety:** The Contractor is required to conduct work in a safe manner, such as using traffic cones and fencing off excavations. Please use extra caution in the construction zone to ensure everyone's safety.

The City would like to thank all residents for their support and cooperation throughout this project. The City recognizes the impact this work may have on your daily routines and appreciates your understanding and patience throughout the project.
