Description:

This is intended to be a landscape submission with a planting list and cost estimate for the proposed site development of 18 Ferndale Dr. N.

Trees to be Planted

There is 3 trees to be planted on this property as it is to be used for commercial use as a motor vehicle shop. Upon inspection there is a few places to position trees in appropriate places and I have proposed a plan with enough space for these trees to grow and thrive.

- 1) Red Maple
- 2) Freeman Maple
- 3) Red Maple

Cost of Trees and Planting

Each tree will cost \$200 plus tax. Tree planting cost is \$250 dollars per tree plus tax.

Total cost of Trees \$600 plus tax

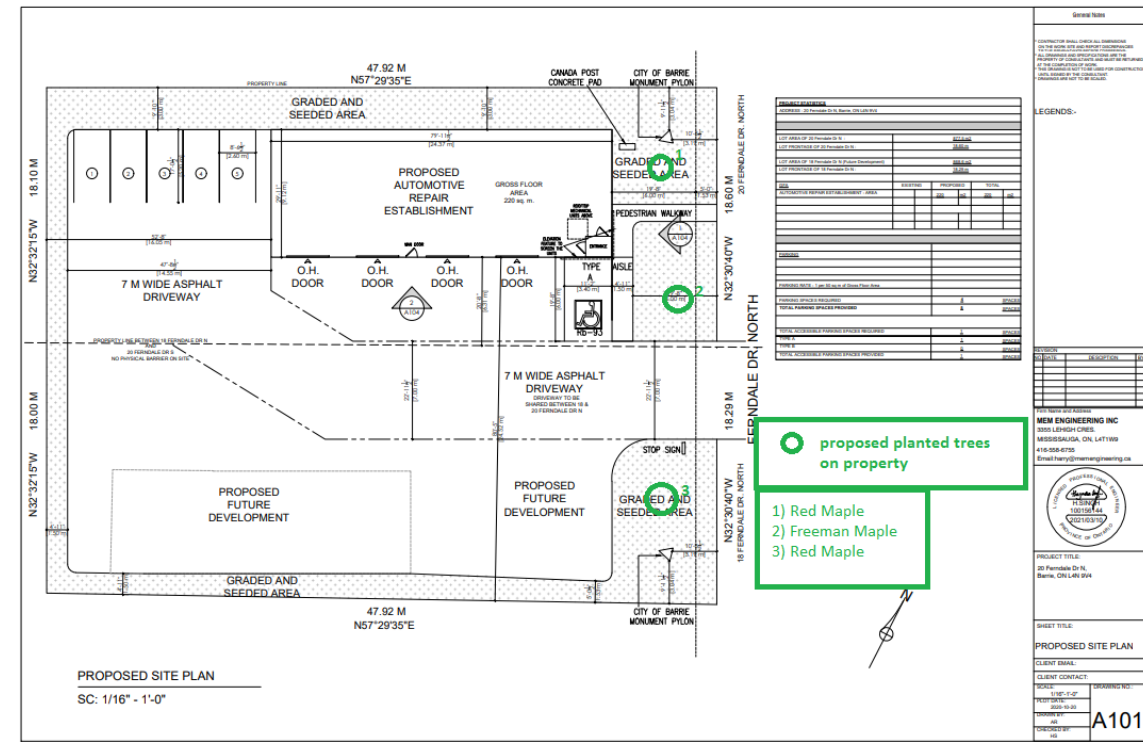

Total Cost of planting \$750 plus tax

Subtotal \$1,350

Tax \$175.5

Total \$1,525.50
