

October 2022

Gunn Street Road Reconstruction (Peel Street to St. Vincent Street)

Start Date: Ongoing
End Date: August 30, 2024
**Timeline is subject to change.*

This City of Barrie project will replace the road and infrastructure on Gunn Street from Peel Street to St. Vincent Street. The 2022 construction season is now wrapping up and we would like to provide the residents affected by the construction activities with an update on the progress of the project.

CONSTRUCTION PHOTOS

WORK COMPLETED IN 2022

During the 2022 construction season, the City's contractor has:

- Replaced road and infrastructure on Gunn Street from Peel Street to Davidson Street.
- Replaced infrastructure includes road reconstruction, watermain replacement, sanitary sewer replacement, storm sewer replacement, new curb and sidewalk, and streetlight replacement.

INFORMATION BULLETIN

Contract 2021-004T

October 2022

PRIOR TO WINTER

The following restoration works have been completed recently or will be completed shortly:

- The road has been paved with base course asphalt and all curbs have been ramped with temporary asphalt.
- New curb and sidewalk has been poured.
- The driveways have been restored with asphalt.
- Any disturbed grass will be restored with sod.
- New light standards have been installed but will not be energized until the completion of construction in 2023.

If you have concerns with the condition of the restorations, please feel free to reach out to the contacts below.

WHAT TO EXPECT IN 2023

We are anticipating construction during the 2023 season to begin in the Spring of 2023 (April or May, weather pending). Construction will focus on Gunn Street between Davidson Street and St. Vincent Street. An information bulletin will be issued next spring when the construction start date is anticipated.

Final asphalt throughout the entire project limits will be placed in 2024.

The project team would like to thank all the residents for their support and cooperation we've experienced so far throughout the project. We understand this work can be intrusive to your daily lives and we are very appreciative of your understanding and patience throughout the project.
