

A vibrant Halloween-themed illustration. In the foreground, several jack-o'-lanterns with carved faces and glowing interiors sit on a bed of autumn leaves. Behind them, a dark, spooky forest with bare trees is visible. A crescent moon and stars are in the night sky. A small, glowing house with a chimney is nestled among the trees. Several bats are flying around the scene.

Family Fright Fest

Saturday, October 24 | 3–9 p.m.
